

## **The Advantage of Having 0.1 CEU Credit Assigned to Your Session**

The NKBA recognizes providers of quality continuing education through our Continuing Education Unit (CEU) Program. NKBA-certified members look to CEU-approved presenters to update or broaden their occupational knowledge and skills. In 2020, the Voices from the Industry presenters have the opportunity to award 0.1 NKBA CEU for attending their presentation. You will attract NKBA certified members who are looking to increase their knowledge and gain CEU credit to maintain their certifications.

Note: Approval applies to KBIS 2020 only. It cannot be transferred to another venue or presentation date.

- If you are selected as a speaker for KBIS 2020, your session will automatically qualify for 0.1 NKBA CEU to attendees.
- You must provide at least 2 Learning Objectives that should be a clear statement of what the professional should learn and must be clearly defined.
- You must provide at least 3 topics and time allotted for each topic.
- Your session must total 60 minutes, (this includes Q & A time).

**Additionally, if you are selected as a VFTI presenter, and hold an NKBA certification, you will earn 0.2 CEU credits per session.**
