**The National Kitchen & Bath Association Launches Online Jobs Portal**

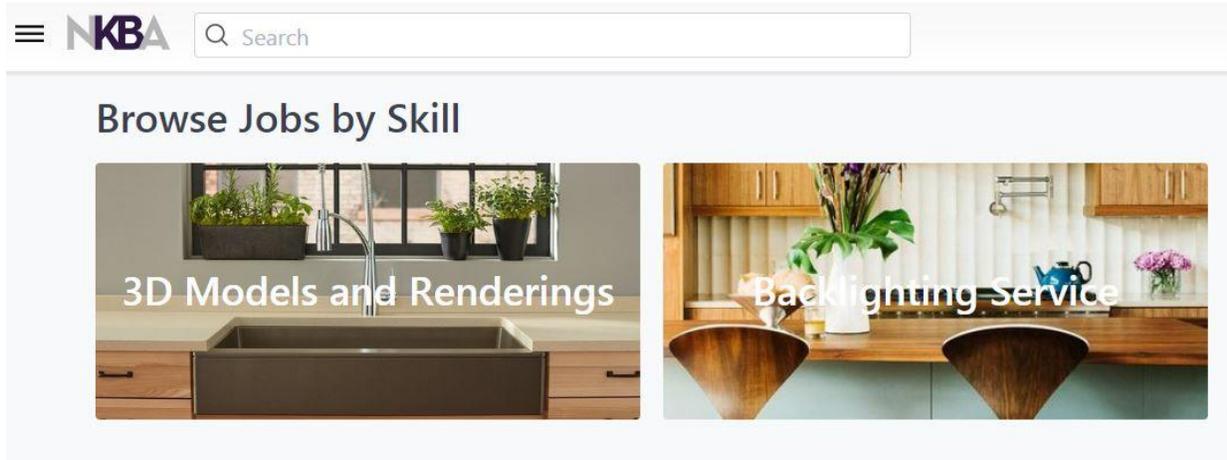

*The NKBA, the leader in digital communities serving the kitchen and bath industry, continues to tackle the labor shortage with a new Jobs feature on nkba.org. This complimentary benefit will help match member companies seeking talent and individuals seeking employment opportunities in the K&B arena.*

**HACKETTSTOWN, NJ – (Sept. 13, 2018)** – The National Kitchen & Bath Association (NKBA), the authority on all things residential kitchen and bath, has launched “Jobs” – a benefit geared to member firms looking to fill positions and kitchen and bath professionals in search of their next opportunities. “Jobs” is a service available to members at no additional charge. It is open to the public for search, however, only members of the NKBA can post.

“NKBA is committed to supporting the industry, providing member companies with an industry-focused workforce sourcing platform, and connecting members with opportunities that further their individual careers – all to maximize business growth in this robust market,” said Bill Darcy, NKBA Chief Executive Officer. “The Jobs portal will help connect employers and candidates in all facets of the industry, including manufacturing, design, remodeling, retail and more.”

The robust NKBA Jobs portal is searchable by recently posted jobs; categories such as design, sales, or brand-centric positions; experience level, and skill set, as well as contract, full-time, internship, part-time and remote.
